Brihat Parasara Hora Sastra defines as below:

1. Jupiter and Saturn will, if be in the 2nd Upapada, cause disorders of ears/eyes to the wife.
2. In chart 3, both Jupiter and Saturn are not angular from the ascendant but are invested with exaltation positions. Hence both the planets will mutually represent and become favorable in their Dasa periods. Also, see the chart of Sri Morarji Desai under sloka, ch. 24 in which Jupiter, Saturn and Mars play as mutual co-workers.
3. Page 349, verses 25-26, FOR GEMINI ASCENDANT: Mars, Jupiter and the Sun are malefic while Venus is the only auspicious planet, the conjunction of Jupiter and Saturn is similar to that for Aries ascendant. The Moon is the prime killer, but it is dependent on her association. Thus have been explained by the scholars the effects for Gemini ascendant.

Durudhura Yoga

In the event that there are planets aside from the Sun on one or the other side of the Moon, the arrangement is named Durudhura Yoga.

The individual brought into the world under Durudhura Yoga will be abundant, will appreciate gigantic riches and solaces. The subject with the Moon among Saturn and Jupiter will be agreeable, proficient and learned, attractive, commendable, possessing abundance, mollifying forces, and modesty. Combinations we define comes from few possibilities: Saturn is placed in Jupiter house will bring the native to slow down in deliverables. At the same time Jupiter placed in Saturn house this would attribute difficulty in living standards of the person. Alternatively, renunciation as that would benefit the native. Few will analyze a natal chart for the purpose.

The natal chart of this person indicates the impact of Guru Dasa. Jupiter is placed at the 6th cusp in retrograde in Saturn's

house of Capricorn and Aquarius. The real reason when Jupiter by birth indicates 6th cusp lord placed in the. Saturn is placed in the Capricorn. Typically, this person almost lives like renunciation.

For this person, Saturn Vimsothari Dasa starting on 27-Oct-2019. During this period this person suffered business loss and literally lost all the money. Gradually his business was forced to bankrupt due to financial losses.

4th cusp is present in the Saturn house of Capricorn and is moveable rasi, this person suffered lot of travels that made him undergo heavy stress. Though he won the court case he was not able to recover the money from the business suits.

During Saturn Dasa and Guru Bhukti, his son got married and he was a proud grandson. This means Guru by nature blessed goodness. As the books indicated this person had goodness in bad time and happen to calm.
