Role of sun in health

Raj Kumar S

Abstract

Sun plays very important role in health. The planets that are indicating sixth cusp should give a person health issues. It is equally true the planets that contradictory sixth cusp should relieve the person from illness. This implies of a person need to get sickness the planet aligned to six the cusp would always give health issues and contradictory planet should always save him. This should be supported by the Dasa and transit chart.

Keywords: Sun, role of sun in health, core health issues

Introduction

Every planet directly or indirectly causes health. The Sun is understood as the important constellation to save a person. Typically, Sun is not in good health the major key illness is caused.

Let's understand various diseases caused by various planets.

| Planet | Diseases |

| Mars | Blood, marrow, energy, genitals, rectum, veins, head, female organs, Fore-head, nose vitality, pregnancy problems, blood pressure, emotions, anger, aggression, menstrual cycle. |
| Mercury | Lungs, Tongue, arms, mouth, chest, spinal cord, gall bladder, nerves, skin, memory, gall bladder, Spinal system. |
| Jupiter | Thighs, Fat, kidney, liver, tongue, right ear, higher mental plane, diabetes, brain, Memory, Spleen, Semen, Pleura |
| Saturn | All types of joints, particularly knee cap and knee joints, arthritis, muscular pains, ears, Skin, hair, Osseous system |
| Venus | Eye sight, pigmentation causing ugliness, problem of teeth, legs, hair, bones, sweat glands, limbs, fatigue, weakness, ageing, wrinkles, disease causing acute sorrow, piles. Chin, Face, Genital Organs, Throat. |
| Rahu | Bad teeth, dental problems, commit suicidal mind, murderous acts, Maniac, excretory organs, genitals, Feet, Breathing. |
| Ketu | Feet, excretory organs (anus), impotency, Belly |

The above list is not complete. Then again certain understanding it can accommodate to the actual facts.

To understand the facts of the reality we need to examine Natal charts to for the clarity and understanding. The forecast of the charts would give the person enough headsup and could act as a preventive measure.

In modern world, after contracting health issues they reach the Doctor for assistance instead of proactively saving themselves before contracting the health issues is observed in prevalent of major population.
