A study on Venus mount with special reference to palmistry

Subhash Rane and Dr. Tia Bansal

Abstract

Everyone wants love, comfort, happiness and pleasure in life, which we can predict from Venus mount. Not only predicts, but if any problems in anyone's life than it can be overcome by properly guiding them. They themselves can overcome it by understanding it, so understanding Venus mount is important in palmistry. Study Venus mount in more details is very important in present time, because now a days in this hectic life everyone in family is under stress and tension, so in spite of their good hands, People are unable to enjoy their life to extreme extent, where if they get proper guidance especially on Venus mount than they can bring happiness in their family.

Keywords: Palm lines, palm mounts, colour, size, shape, and sign

Introduction

Palmistry is the sense of foretelling the future as well as the personality, through reading the lines on your palm. This is also known as Chiromancy which is started a hundred years ago by the ancient Indians.

Not only have the lines of the palms reveal the truth about your life, but also the mind-set and temperament. Things like shape, fingers, and dimensions of palm also give insight into your personality and character. The breadth, length and colour of the palm lines indicate the length and quality of your life.

Heart line in your palm reveals the love and emotional aspects and the level of empathy, Head line tell you about intelligence and mentality, Life line indicate about health and physical vitality, Fate line indicate about career and fortune, Fate line is considered as a line of brilliant fortune and good luck, Marriage line about married life and relationships

Mounts on palm are considered as power centres. Mounts are of two types Intellectual and material mounts. Intellectual mounts these people are not beautiful or handsome, but indicate brain, brilliancy. These mounts are Mercury, Sun, Saturn and Jupiter; whereas Material mount people are beautiful means they attract by words, connect people. These mounts are Mars, Venus and Moon.

Every Phalanges of the Finger have specific characteristics, such as First part of finger indicates intellectual, Second part is practical part of life, Third part is material part of the life, protecting grid, protecting prejudices and protecting ego.

In the same manner inner palm, outer surface of palm, nails, signs on Palm, by so many such things indicate about person's personality, behaviour and his past and future.

In Palm reading first thing we have to know about some important palm features such as Palm shape, Lines on Palm, Mounts on Palm, Flat areas on palm, Markings on Palm, Figures and its phalanges. A line is a crease in your palm. The creases going across your palm vertically and horizontally called as life line, love line, head line, fate line and the sun line. A mount is a raised area of flesh on Palm mostly seen below figures such as Mercury mount, Sun mounts, Saturn mount, Jupiter mount, Venus mount and Moon Mount. A plain is a flat area of your hand very centre of your palm is the Plain of Mars. All fingers have three parts called as Phalanges except thumb finger which have two Phalanges.

Venus in Palmistry represents style, love, beauty, art and music. Mount of Venus signifies beauty, grace, warmth, desires, energy, vitality, stamina and good health.

If the mount is positive, padded without any confusing lines over it, the person has positive energies, vitality and stamina.

5.	Palm Photo	
6.	Type of Palm	Conical Palm: Conical Hand is broad at base and reducing towards fingers. Indian Palm is treated as conical palm which is called as choosy palm, such people are Introvert, Artistic, Sensitive emotional, dedicatee and moody. Indian palm is selective & choosy. In such palm pattern Heredity follows from one generation to another, perfection and perfectionist people, expert in their areas, Observe and make themselves expert in their work. Conical palm are of three types i.e. Philosophical, Conical and Psychic palm. Philosophical Palm will identify by knots on hand where palm is rough. They don't like hardship, they are Choosy in behaviours, complaining palm, and they have their fixed ideas. Conical palm is smooth, whereas Psychic palm is soft palm, good palm, such people are noble in nature, such people treat girls as ornament, Good in hospitality, frighten with each thing, good in dancing and painting, not good in wordiness, they have insecurity in life, they want support in life, such people when shake hand with others, that time they are not replaying and just allow to press hand, there is no elasticity in their hand.
7.	Colour of Palm	Pink Palm: Pink Palm is a good palm such persons are good to deal with.
8.	Colour of the mount	Pink colour: Pink colour brings out very best of the Venusian characteristics giving person a warm and generous soul, Pink allow to make their way in the world through love. These people get lot of love and give lot of love.
9.	Colour of hand and Planet impact	Pink colour: Indicates Sun, Jupiter and Venus are active, Dry and Silky hand: Indicates Jupiter, Sun and Mercury impact is more in such type of people and they

		are intellectual but who avoid hard work.
10.	Texture of Skin	Fine Skin: Finer the skin, finer the Venusian qualities, His love is high, idealized and romantic,
11.	Consistency of the Palm	In palm Electric reliability brings out best of the Venusian make them practical and produces brightest, happiest, and healthiest people,
12.	Type of Fingers	Conical Fingers: Material love of a poetical Character
13.	Fingers tips shape	Conic Finger tips: In Venusians this type of finger tips most often found. Indicates artistic nature and love of beauty dominates the personality. These people are romantic, spontaneous and live for love,
14.	Fingers Length	Standard Long Fingers: Such fingers bring out the best in the Venusians personality. This length allows for balance. These Venusians are neither overly spontaneous nor more cautious. These size fingers allow for full expressions of the brighter, pleasant Venusians nature.
15.	Type of Thumb	A standard size thumb allows sufficient self-control and is an asset to the Venusians,
16.	Judging Venus Mount	Slightly raised or flat: These are considered satisfactory or average mounts. They indicate qualities that are present in sufficient amount within the personality although unexceptional.
17.	Position of Venus mount	Towards the Rosette: Sensuousness
18.	Type of Venus Mount	Deflected Mount: Look like deflected balloon. If seen in woman than might be woman had a hysterectomy. For man might be prostate operation, mostly in periods in ladies this mount seen to be deflected. If person overindulged than also some time Venus mount seen to be deflected,
19.	Influence of three worlds	The Practical world: Venusians are with practical world extremely generous when accompanied by an electric thumb, they are practical givers and practical about love and emotions,
20.	Flexibility of the Hand	Stiff hand: Stiff hands are known to be stingy and selfish which reduces many qualities of Venusian,
21.	Characteristics of Mount	Weak mount: Weak Venus mount is flattens and not occupied greater amount of space and height on palm.
22.	Lines of Influence	Worry Lines: Noticed Out of two lines, One worry line noticed crossing life line as well as upward branch of life line - Lines cutting Life lines means worries and tension, If worry lines crossed lifeline means perceived worry have actually noticeable as a problematic event in the person's life, Noticed Few light worry lines also on palm but towards lower mars area near base of the thumb Influence Lines: Noticed One light influence line near lower mars / Mars line - parallel to life line but not very close to life line, - Running only for a limited space as a sister line to the line of Life – Its influence is limited to the space of time indicated upon the Line of Life it partially duplicates, - It indicate in young age person involved in sports - It shows extra masculine temperament in addition to normal life. It is seen among sports persons and gymnasts to have such line in the palm.
23.	Signs on Venus Mount	Signs are not observed on Venus mount
